## CHERRY BOMBIN ROADSTER HARNESS VOTED TOP 3

@jameehatser: Attachment preference for strap-on harnesses? Tips on picking one out!

I prefer silicone dildos that have wide bases, attached to the harness with stretchy or interchangeable O-rings.

When choosing a harness, consider your wants and needs.

Will it fit your dildo size/shape?

Accommodating for different body types?

Easy to clean?

There's been a lot of strap-on innovations, some great harness makers include:

SpareParts ASLAN

And the Roadster Harness by Cherry Bombin' which is made from recycled bicycle inner tubes!
